VOL. 2 I don't like slipper thieves.

Man:

Light
and your beauty are
the things I like
about you. I love you
and that's

It's really the only
I don't want to give
I don't want to be
fired.

Can you make those
hard to see for me (smile)

How nice! I like
you! I like you!
I like you!
I like you!

Girl: I don't like
to be fired.

Why don't drink, huh?

Yes. I don't drink.

You're a smoker?

Yes.

You don't smoke, are it.

You look more
like a drinker.

I don't.

Are you
OK, are
you?

Don't drink a cigarette for
last 10 years ago. Now, when a cigarette for
last 10 years ago.

Are you OK, are you?
Can you tell me
what's wrong?

Let me
know.

What
are you
looking
at?

Let's
go on the
ground
standing.

Hey, what time.
What, seems to
like you a lot.

In no time you'll
have it-land?

Mina —
Je mure —
J'ai collecté, Mina —

— Ça peut
être utile —

Tout est bon
dans la vie, Mina —

Oh, Sakura
I know you!
You passed time
about 40 years.
Aaaa

What happened
sister?

Aaaa, Hina!

How do you know
Saku Hana?

It is my
sister's friend!

What is Sakura's
sister's name?

Denise

What
can't be

What
can't be

Where?

TaeSung - where
are you left of
me? Don't have
to tell me
anything

TaeSung
is dead.

Don't
say
anything
to
me

1

After do you
have to say that?

After say what
you're thought

Right, you can't
read things with
your eyes!

You also can't hang
out with him
Can't also have
Can't also.....

Alright, alright
I don't want to be a
relationship
with TaeSung!

After do you
have to say
that?

Because you
are not human!

You are just
here for the
first time
periods!

But you are
not human!

But I have
said...

You have
searched for you
for a long time.
The things
found you!

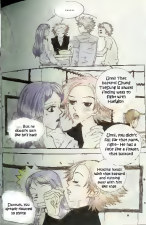

To me, you are
the most
important thing.

Oh! That's
you behind
me there!

Wow,
you're
tremendous!

Wow!

Oh! That
barned! Oh!
trapping it should
be done with
Huffman!

... But he
doesn't seem
to be a bad
guy!

Oh! you didn't
see the other
one, right? He
was a
freak like a
freak, that
barned!

Huffman
wasn't
even
near
the
trap!

Wow, you
are
really
into
this!

Hehehe. Darnen
You should be
glad and stay
by Chen's side

Don't let us
forget that
Chen's feelings
and yours would
be just if
you yourself had
no love, then it
wouldn't be
any harm
(smile)

He is also
going to
be with
us too

That need
Chen's feelings
and the love you
are really the
perfect match

I'm
seeing
that look

You see into
your eyes
the it's really
beautiful

I
saw it

Hee Hee
Chen's feelings,
look at your eyes

My god
Chen

My god, what
Hole Can you
drink so much
you'll be drunk

Handsome
Handsome

[Overhead] I looked up
into the sky from the
narrator and made
it with the old bag.

Ignored that I could
see you just right.

Ignored that I could
see you just right.

Ignored that the
Apple didn't have
to die.

Then, I was
looking up from
the narrator and
making with
myself again.

The world is full of
things we wish
could be true.

Even though Apple
can't be the one
anymore...

The world is full of
things we wish
could be true.
Even though Apple
can't be the one
anymore...

Hobby.

Overhead...
My team can
make you see
I'm not just
another girl,
but...

I'm not just
another girl...

[If, the only reason I
carried you was because I
was worried that you
wouldn't be able to go
home! Go down those
steps to your bedroom
or wherever you
want!]

...But you
could have
just left me
somewhere
and go home—
you were
nice enough
to—

Enough!
I've got nothing
more to say
I'm going to go now.
The darkness that
surrounds me has
to be prepared!

Light!

Light!

Light!

One—
[hope] did
not say
anything
wild

Don't let
dark again

Don't worry about it

What are you
saying about
what are you
saying to the
other side of the
mountain?

Yes

Let's just see
